## EUROPEAN COMPETITION DAY

Austria will keep competition policy high up on the agenda during the Presidency of the Council. Therefore, the Federal Ministry for Digital and Economic Affairs is pleased to invite you to the European Competition Day:

## Competition Law - Thinking Outside the Box 24 September 2018 09.30 am - 05.30 pm Austria Center Vienna

The conference will focus - starting with underlining the aims of competition law - on issues in the value chain and vertical questions. One extra panel will also deal with the health market. Margarete Schramböck, Austrian Federal Minster for Digital and Economic Affairs, Margrethe Vestager, European Commissioner for Competition and Theodor Thanner, Director General of the Austrian Federal Competition Authority, will open the conference.

lf you are interested in participating, please an e-mail to send competition@oesterreich.gv.at indicating your first name, surname, e-mail address and institution until 14 September 2018.

For further information including the agenda, please click here.

A Get-Together will take place the evening before (23 September 2018, 06.30 pm with the possibility to join a guided tour around the historical center of Vienna at 05.30 pm).

We look forward to seeing you in Vienna!

Federal Ministry Republic of Austria Digital and Economic Affairs
